

## REDEN

### RATING/SCORE/REVIEW

**Background:** Reden will not place an overall score. A coins review will be shown in graphs, per category.

General graphs are free, however, access to detailed information will require a small fee that is divided amongst the reviewer(s) and x% for Reden project.

Output through api. Can be used on internal applications. api calls can also be sold.

### PROJECT SPECS

Initial submission free, fast track for review for a fee.
